

LOCAL AND PERSONAL.

TO THE PATRONS OF THE ALLEGHANIAN, GREETING: Occasionally, in the course of human events, it becomes necessary for one to do or say that which is something out of the common—as is the case now. What must be done, however, can't be helped.

This is to say, then, that we need money; and this is to desire those who are in arrears for subscription, &c., to walk up to the Captain's office and settle. The approaching session of our County Courts—when everybody and their friends will be in town—will afford a capital opportunity for so doing. Let us hear from you, good friends—

LOCAL ETCHINGS.—A smash-up occurred on the Pennsylvania Railroad at Summerhill, this county, on Saturday week. One of the switches had been left wrong, and a freight train going westward ran off the track. The consequence was that the laden cars in the rear ran on the empty ones in front, causing a total wreck and promiscuous annihilation of nine of them. No person was injured.—Capt. David Garrett, for a long time conductor of the Johnstown Accommodation train, has been promoted to the post of conductor of the mail train between Pittsburgh and Altoona, and Capt. Dan Bolton has been promoted to the position left vacant by him.—Mr. Peter Linton, son of the Sheriff, who has been trying his fortune in the land of gold for the past two years, returned to his home in this place last week.—The recent flood did considerable damage to property in the neighborhood of Willmore. The saw-mill dams of Wm. Russell and Wm. K. Carr were washed away, and the water in some instances submerged the lower stories of buildings.—An old and highly-respected citizen of Cambria tp., Wm. G. Williams, met with a painful accident one day last week. He was riding on a horse and leading a colt by a halter, when the colt, which was very fractious, plunged violently and pulled Mr. W. from his seat. His shoulder was badly sprained and he was otherwise injured by the fall.—A man named Adam George was run over by the cars near Latrobe on last Friday week. He was killed almost instantly.—A new steam grist-mill has just been started in Indiana. It fronts immediately on the railroad.—Rev. D. X. Junkin has resigned his charge of the Presbyterian congregation at Hollidaysburg.—A little son of Mr. Peter Strickler was burned to death in Hollidaysburg on Sunday before last. He was standing by the stove and his night-clothes took fire, and before the flames could be extinguished he was literally burned to a crisp.—A new post-office has been created at Vincent's Abbey, Westmoreland county.—Philip Collins, Esq., while driving in the country one day last week, was thrown from his buggy and considerably injured. He was pitched a distance of about thirty feet, and that he escaped instant death can be accounted for only on the score of providential interference.—Olas. Watson, formerly of this place, was arrested and lodged in jail last week on suspicion of being concerned in the recent Promald burglary in Johnstown.—The partnership heretofore existing between G. Nelson Smith and H. A. M'Fike in the publication of the Johnstown Echo has been dissolved.—The new bridge which had been thrown across the Conemaugh at Johnstown, and which was not completed, was entirely carried away by the recent freshet.—Our former townsman, J. N. Kincaid, has taken up his residence in Cincinnati, where he holds the situation of book-keeper in a large commission house. Success to him.—On last Wednesday, a little son of Evan Davis, (South,) was thrown from a horse, and so seriously hurt as to produce concussion of the brain. He is slowly recovering.—The Calithumpians were out on Tuesday evening. Said a heart-sick maiden once, "give me music, another, or I die." The Calithumpians assume the invigorating office of the mother in such instances—with a rush.—The delightful season known as Indian Summer is rapidly drawing to a close.—Go to R. Tudor's for all kinds of provisions, groceries, &c. He sells cheaper than the cheapest.—The place at which tobacco cigars is at the tobaccoist establishment of E. Sultzbach. He always keeps a full assortment of the various brands on hand, for sale either by the wholesale or retail. Give him a call.—Loss—early this (Wednesday) morning, in the eastern end of town, a small black plug from the end of a flute. The finder will receive many thanks if it is returned to this office.—Cold winter draws on apace, and the days and nights are becoming sensibly cooler.

PETERSON'S MAGAZINE.—We are in receipt of this popular Lady's Magazine for December. It is a splendid number. "Peterson" has a circulation of 100,000. It will be greatly improved in 1861. It will contain 1000 pages of double column reading matter; 14 steel plates; 12 colored steel fashion plates; 12 colored patterns in Berlin work, embroidery or crochet, and 800 wood engravings—proportionately more than any other periodical gives.—Its stories and novelettes are by the best writers. Its fashions are always the latest and prettiest. Every neighborhood ought to make up a club. Its price is but two dollars a year, or a dollar less than Magazines of its class. Subscribe for it and save a Dollar. To clubs, it is cheaper still—viz: three copies for \$5, or eight for \$10. To every person getting up a club, the Publisher will send a magnificent premium. Specimens sent gratis to those wishing to get up clubs. Address, post-paid, Charles J. Peterson, 306 Chestnut Street, Philadelphia.

A GOOD PAPER FOR EVERY FAMILY.—All our readers may not be acquainted with one of the most valuable agricultural and family journals in the country, now in its nineteenth volume. We refer to the American Agriculturist, which is a large and beautiful journal, devoted to the practical labors of the Field, Garden, and the Household. It is prepared by practical men (and women) who know what they write about, and it gives a great amount of valuable information, useful not only to farmers, eartheners, stock-raisers, fruit-growers, and those who have little village plots, but also to every family. We advise our readers to send \$1 to the publisher, ORANGE JUDD, 41 Park Row, New York, and try the Agriculturist a year. A specimen copy can doubtless be had by sending to the publisher. These subscribers now for the twentieth volume (1861) will get the remaining numbers of this year without charge.

MARRIED.—On Thursday, the 8th inst., by the Rev. L. R. Powell, Mr. HUGH H. HENSON, to Miss RACHEL WILLIAMS, both of Cambria township. It is always a pleasure for us to record the joining together of two kindred hearts; but more especially does it become a pleasure when, as in the above case, we have the satisfaction of announcing the receipt of a bright little gold dollar in conjunction with the notice of the nuptials. The happy couple will accept our thanks and most extravagant wishes for long lives and many ones. May they enjoy in the fullest degree the supreme joy and felicity that ever springs from the union of "Two souls with but a single thought, Two hearts that beat as one!" And may Fortune ever smile upon them and theirs.

GODLEY'S LADY'S BOOK.—The December number of this elegant monthly is on our table. It is filled to overflowing with everything that is beautiful and interesting and useful. "B. Ueber, Artist," is one of the most readable stories that has yet come under our notice. The fashion-plates are more superb than ever. The new volume commences with January.—We will furnish a copy of the "Book" and The Alleghanian for one year to any person so desiring for \$3.50—cash in advance.

TOBACCO.—On our outside this week will be found those "Facts concerning a Meerschaum." We have received and will publish next week an original paper on "Tobacco—a view from 'other side.'" We have no doubt, if our friends who are interested in the matter will assist us a little occasionally, that we will be enabled to settle this great question with regard to the relative virtues and vices of the Weed in a satisfactory manner.

LITERARY.—The following question has been selected for special debate, at the Lyceum, on next Friday evening: Resolved: That men of the greatest knowledge are not the most happy. Affirmative, Morris E. Evans, Wm. H. Seehler. Negative, Geo. W. Oatman, Morris J. Evans. Mr. Morris E. Evans will read a selection at the next meeting.

A FACT.—The proprietor of the Ebensburg Boot and Shoe store has made arrangements by which he is enabled to sell boots and shoes, hats and caps, clothing, &c., at lower rates than ever. The public are requested to bob round and ascertain the truth of this statement.

MARRIED.—On Thursday, the 8th inst., at the residence of the bride's father, in Blacklick tp., by Geo. W. Empfield, Esq., Mr. PETER GARMAN, of Susquehanna tp., to Miss CAROLINE BRACKEN.

LOCAL CORRESPONDENCE.

To the Editor of The Alleghanian: I beg leave to promulgate by means of your paper the following crochets:

What I am opposed to—I am opposed to this annual filling up of our streets with clay at the expense of tax-payers, and the semi-annual removal of the aforesaid clay by private individuals, immediately succeeding its transmigration into mud, for farming and other purposes. Macadamize the street, at once.

What I am in favor of—I am in favor of devising some method by which the surplus water that collects in the gutter on High st., between Centre st. and Stahl's alley, can be conveyed away. As it now is, when it rains, the liquid flows both directions and meets in the middle, where it is obliged to remain until the sun dries it up, or it can effect an entrance into some cellar.

A CARD.—Witzels' Bridger, Lancaster Tp. July 30, 1860. Messrs. EVANS AND WATSON: GENTLEMEN—The small size No. 1 Salamander safe which I purchased from your agent, Mr. Adam R. Bar, in Lancaster City, on July 20th, 1858, has been subjected to a very severe test, which it withstood in a most satisfactory manner. This safe, containing all my books, together with the papers belonging to myself and some to my neighbors and friends, and representing a value of over Twenty Thousand Dollars, (\$20,000) was in my Mill which was destroyed on the night of the 27th of July, 1860, and passed through the fiery ordeal unscathed. The safe was on the second floor and fell to the basement of the Mill, and was subjected for six hours to an intense heat among the ruins, which was greatly increased by the combustion of a large quantity of grain confined within the brick walls. After the fire the safe was opened and the books and papers taken out in a state of perfect preservation, the paper not even being discolored. This fact was, however, to many bystanders a better recommendation of your safe than could be expressed in any other words from me. Yours Respectfully, SAMUEL RANCK. A large assortment of the above quality of Fire and Thief Proof Safes always on hand and for sale at as low rates as any other firm, at EVANS & WATSON'S, No. 304 Chestnut st., Philadelphia.
